## 2 Night Branson Mini Vacation Show and Attractions Descriptions

**Celebrity Car Museum:** is an immersive collection of over 100 iconic movie and TV show vehicles. Featuring a large variety of instantly recognizable cars, there is sure to be something for everyone in the family. You can get behind the ropes and take photos inside the DeLorean or have a chat with Scooby inside the Mystery Machine. With costumes, props, and famous signatures covering the walls, it's easy to come to spend an hour exploring the history and the excitement of Hollywood and all of the world-famous entertainment it has provided. The collection rotates and changes.

**Pierce Arrow 30<sup>th</sup> Anniversary Show:** Pierce Arrow has been a must-see staple of the Ozarks since 1996, and this year marks our 30<sup>th</sup> Anniversary, so we have crafted a brand-new production at the REZA Live Theatre that honors our roots while looking toward the future. Our Anniversary show goes back through 30 years of Pierce Arrow History and all the music we have done, so you can expect a lot of country and gospel, with a little bit of pop and rock as well.

**Copperhead Mountain Coaster:** The newest, fastest, most scenic, and longest downhill family fun ride! Branson's longest downhill Mountain Coaster snakes through riveting loops, drops and curves in the beautiful Ozark Mountains. Plus the newest and latest advanced safety technology on any mountain Coaster. The downhill ride is over 3,350 ft long and the uphill is 1,450 feet making the total coaster nearly a mile long. **Ride Requirements: Drivers must be 54" Tall, Passengers must be 3 years or older and 38" tall and can only be with a driver 16 years or older, Riders age 3 - 9 must be passengers, Max weight for the cart is 325 lbs in dry conditions and 280 lbs in wet conditions.**
